

Family Happiness Phone Course

Invest an hour a week to create the next level of happiness and fun in your marriage and in your family

- ♥ Bring delight to your marriage and strengthen your connection by putting yourselves as a couple into your daily life and routines.
- ♥ Gain insight and new approaches on how honoring the differences between women and men can enhance the appreciation, intimacy and fun in your marriage
- ♥ Get practical tips and tools you can use immediately to bring more joy and fun to parenting, particularly in those moments of whining, defiance and sibling fights
- ♥ Relax and enjoy parenting, knowing you are raising responsible, happy kids

Ideal for couples on the go who want to invest in their marriage & family and struggle with finding the time to do it

Six-week course
