

Family Happiness Workshops

Spend a weekend to create more happiness and fun in your parenting and marriage

- ♥ We will teach you to live your life taking time for you as a couple to connect and enjoy your relationship—and teach your children that marriage is meant to be lived that way.
- ♥ You will learn to appreciate and honor the differences between women and men so they actually enhance the relationship, intimacy and fun you share.
- ♥ You will learn new tools to enhance your communication.
- ♥ You will be happy parents using tools and approaches designed to keep your kids thinking and responding without the battles that can wear parents out.
- ♥ You will be on the same page with your spouse about how to raise happy, responsible children.
